RAVI JILKA

UI/UX DESIGNER

ABOUT ME

Enthusiastic engineering graduate with basic knowledge in design and coding. Basic knowledge in Adobe Photoshop, Adobe Illustrator, and Adobe Xd. Ability to learn new software's and technologies quickly. Capability to work in teams by providing valuable support.

WORK EXPERIENCE

I learned to design advertising post, basic logo design, templet design, and other UI design in Photoshop and Illustrator at home. In Adobe Xd i learned app and website design, prototyping, social media advertising post, and design interfaces for the UI.
